Child/Young Person's Details:

Full Name: _____

Date of Birth: _____ Age: _____ Gender: *Male* *Female* *Prefer not to say* *Other*

Pre-exercise screening results will be kept as confidential files and shared only among individuals involved in the event of urgent medical care, and/or with the consent of the young person and/or parent/guardian.

STAGE 1 (COMPULSORY)

To be completed with an exercise professional or individual who is responsible for the medical care of the young person.

These questions are part of a system designed for young people participating in exercise. The aim is to identify any young person with medical conditions or warning signs that may put them at a higher risk of an unwanted event during activity or exercise sessions. Unwanted events may include something unexpected during exercise leading to illness, physical harm or death.
